Homework Folders

Each child will have their own Homework Folder. Every Monday (or first day of the school week) the folders will be sent home with their homework. I encourage you to help your child with their homework. These are for extra practice not grades and the children are not required to do their homework but are encouraged to. In first grade we do not have percentages so they will not have any grades on PowerSchool.

The homework folders need to be sent back by Friday (or the last day of the school week).

Stations

There are 3 stations around the room, be sure to stop at each spot. Each station has different tasks for you and your child to be prepared for the first day of school.

Our 1st grade friends

Student Forms

Make sure you pick your child's packet on their desk. In the packet there are numerous papers that need to be filled out. You can also fill some of them out online by going to the district site > parents and students > student forms.

New this year will be the paperwork for the iPads/laptops. EVERY student needs to fill these out. K-6 students do not need to pay the user fee as they will not be taking them home, that is for only 7-12 students, but they need to fill out the paperwork. Be sure to have all the paperwork filled out by Monday, August 19th.

iPads

The students will have google emails using their iPads. Their email information will be sent home at a later date.

This emails use the district's domain name and are locked down.

The kids can only receive/send emails with the same domain name. Please be sure to give me your email address so I can forward you some of your child's work.

The iPads will stay at school and we will be using them in different areas through-out the day. Each student will be assigned their own iPad, which they will also use in 2nd grade. We will be posting things that we have learned in the classroom using our classroom website so everyone can see.

Behavior Chart

Everyone starts on green "Ready to Learn". From there they can move up or down. Their goal is to end the day on green or above. At the end of the day if they get 10 punches on their behavior card they can choose from the positive reinforcement chart. If they are below green they will not get a punch for that day. The chart is very mobile which encourages the kids to work hard.

Blue - You're a Rock Star
Purple - Great Choices
Pink - Good Choices
Green - Ready to Learn!
Yellow - Make Better Choices
Orange - Teacher Choice
Red - Parent Contact
